Newsletter November 2016

Welcome

We would like to extend a very warm welcome to all our new families who have started with us over the past month. We look forward to working with you as partners in caring for your child. We also have a variety of ways families can be involved with the Centre—ask us to find out how.

2018 BOOKING SHEETS

Booking sheets for your requirements for 2018 will be available next week. Please complete fully (including your personal details so that we can check our details in the computer) and return to the office by December 8. At this stage we are only requiring Long Day Care bookings, we will commence collating Before and After School Care requirements mid January. Should you wish to cease care earlier than our Christmas closure date and not recommence till later in January/February, please notify us by December 15 of your requirements, otherwise it will be deemed your normal booking is resuming once we re-open on January 2 and fees will be charged accordingly.

A big **Thank You** to Shane (Vicki's husband) for making this wonderful outdoor kitchen for the Centre. We can guarantee there will be plenty of sand cakes and muffins made in this very modern "industrial style" kitchen.
