**SICK CHILDREN** – Please keep children away from the centre if they have running noses, coughs, fever or cold symptoms. We understand how difficult this makes life for parents (many of us are parents too) but is necessary to prevent spreading illness amongst children and staff. Our sincere thanks to families who are already doing this, we really appreciate it.

**COVID ABSENCES** – If your child is absent because they have Covid the Government allows us to waive gap fees. Don't be shy, please let us know so we can apply your discount.

And just a reminder to let us know, either with a phone call, email, text, or through Xplor, if your child will be absent. On some days it can make a big difference to our staffing arrangements. Thank you.

### **AMNESTY ON SPARE CLOTHING**

If your child has gone home in our spare clothing and it may be at the back of their wardrobe can you please return it to the Centre as our supplies are running low. No questions asked!!

**PLAY EQUIPMENT** – at last the Rumpus Room play equipment is ready for use. Children in Vacation Care have raised money towards the equipment, and watched it languishing in the

shed until installed. The children are excited now it's ready for use.

**30<sup>th</sup> Birthday** The Service will be 30 years old in October.

We are planning some special events around Thursday 13<sup>th</sup> and Friday 14<sup>th</sup> October. Save the date. More to follow.

**HUB Guests (Authorised collectors)** – Since we transferred to our new system at the end of May a number of families have not attached their authorised collectors to their child's profile. Parents need to send an invite through the Xplor app to their authorised collector. An email will be sent to them requesting them to create their account with their mobile number and a PIN. Using these details will allow them to use the appropriate tablet to sign in/out.

Please ensure the person signing in/out is using their own credentials as it is a government requirement that we must be able to identify the person in the system who dropped off/collected.
